¹ “Corporate governance statement” is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council’s recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity’s corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes “OR” at the end of the selection and you delete the other options, you can also, if you wish, delete the “OR” at the end of the selection.

2021 Corporate Governance Statement

The Board of Strategic Energy Resources Limited (“SER” or the “Company”) is responsible for the overall corporate governance of the Company and its subsidiaries (collectively the “Group”) and monitors the operational and financial position and performance of the Group and oversees its business strategy, including approving its strategic goals. The Board believes that good corporate governance helps ensure the future success of the Company, adds value to stakeholders and enhances investor confidence.

The Board has created a framework for managing the Company including adopting relevant internal controls, risk management processes and corporate governance policies and practices which it believes are appropriate for the Company’s business and which are designed to promote the responsible management and conduct of the Company. In establishing its corporate governance framework, the Board has referred to the 4th edition of the ASX Corporate Governance Councils’ Corporate Governance Principles and Recommendations (**ASX Recommendations**).

The ASX Listing Rules require listed companies to prepare a statement disclosing the extent to which they have complied with the Recommendations during the reporting period. The Recommendations are not prescriptive, such that if a company considers a recommendation to be inappropriate having regard to its own circumstances, it has the flexibility not to follow it. Where a company has not followed all the Recommendations, it must identify which Recommendations have not been followed and provide reasons for not following them.

This Corporate Governance Statement (**Statement**) discloses the extent to which Strategic Energy Resources Limited has followed the Recommendations, or where appropriate, indicates a departure from the Recommendations with an explanation. This Statement should be read in conjunction with the material on our website www.strategicenergy.com.au, including the 2021 Annual Report.

This Statement is current as of 27 August 2021 and has been approved by the Board of Directors of Strategic Energy Resources Limited.

PRINCIPLE 1: LAY SOLID FOUNDATIONS FOR MANAGEMENT AND OVERSIGHT

Recommendation 1.1 - Role of the Board and Management

The role of the Board is to approve the strategic direction of the Group, guide and monitor the management of the Company and its businesses and oversee the implementation of appropriate corporate governance with respect to the Group’s affairs. The Board aims to protect and enhance the interests of its shareholders, while taking into account the interests of other stakeholders, including employees, customers, suppliers and the wider community.

The Board has a formal Board Charter which is available on our website at <https://www.strategicenergy.com.au/corporate-governance/> that clearly sets out those matters expressly reserved for the Board’s determination and those matters delegated to management.

The Board delegates responsibility for the day-to-day management of the Company and its businesses to the Executive Chairman. The Executive Chairman is supported by Managing Director (MD), management and delegates authority to appropriate senior executives for specific activities and transactions. The Board maintains ultimate responsibility for strategy, control and risk profile of the Group.

Recommendation 1.2: Appointment of Directors

The Remuneration and Nomination Committee (or in its absence, the Board) facilitates the selection and appointment of Directors. Before the Board appoints a new Director or puts forward a candidate for election,

the Remuneration and Nomination Committee ensures that appropriate background checks are undertaken. We provide our shareholders with all material information in our possession that is relevant to their decision on whether or not to elect or re-elect a Director through a number of channels, including via the notice of meeting and other information contained in the 2021 Annual Report.

Recommendation 1.3: Appointment Terms

Each director and senior executive is party to a written agreement with the Company which sets out the terms of that Director's or senior executive's appointment. Directors and officers are also party to a deed of indemnity, insurance, and access.

Details of executive contracts in place are detailed in the Directors report included in the Company's 2021 Annual Report.

Recommendation 1.4: Company Secretary

The Board is supported by its Company Secretary, whose role includes supporting the Board on governance matters, assisting the Board with meetings and directors' duties, and acting as an interface between the Board and senior executives across the Group. The Board and individual Directors have access to its Company Secretary.

Under the Company's governance framework, the Company Secretary is accountable to the Board, through the Chair, on all matters regarding the proper functioning of the Board. The Board is responsible for the appointment of the Company Secretary.

Details regarding our Company Secretary, including experience and qualifications, are set out in the Directors' Report in our 2021 Annual Report.

Recommendation 1.5: Diversity Policy

The workforce of the Company comprises individuals with diverse skills, backgrounds, perspectives and experiences and this diversity is valued and respected. To demonstrate the Company's commitment to developing measurable objectives to achieve diversity and inclusion in its workplace, the Company has implemented a Diversity Policy which can be viewed at <https://www.strategicenergy.com.au/corporate-governance/>.

The Company's policy has meritocracy as a guiding principle and seeks to align the Company's management systems with its commitment to continue to develop a culture that values and achieves diversity in its workforce and on its Board.

The Board and management considers building a diverse and inclusive workforce as paramount to gaining the best insight into the needs of our stakeholders. The Company is also of the view that inclusion should be driven by culture (i.e. 'we want to') rather than by policy ('we have to'). A diversity of perspectives and backgrounds also strengthens creativity and innovation in teams.

As on date of this report, there are no women on the Board or in senior executive positions.

The Company's workforce is relatively small and as such the Board does not believe it is appropriate to establish formal diversity objectives at this stage and therefore, we do not comply with Recommendation 1.5 in its entirety.

The Company's diversity policy sets out various objectives for achieving diversity within the organisation. The Company is committed to ensuring that the appropriate mix of skills, expertise, and diversity are considered when employing staff at all levels of the organisation and when making new senior executive and Board

appointments and is satisfied that the composition of employees, senior executives and members of the Board is appropriate.

The Company is not considered a “relevant employer” under the Workplace General Equality Act 2012, as it is not a non-public sector employer with 100 or more employees in Australia for any six months or more of a reporting period.

Recommendation 1.6: Board Performance Assessment

The Board is committed to evaluate its performance, the performance of its Committees (if applicable) and individual Directors, on an annual basis, as well as the governance processes supporting the Board.

A Board performance assessment took place during the reporting period in relation to the 2021 financial year. An analysis of the data collected indicated that the Board is functioning effectively against the majority of its criteria.

The review process involved:

- A discussion held by the Directors on performance of the Board and individual Directors, on key performance areas noted below, facilitated by the Company Secretary;
 - Major Achievements over last 12 months and key challenges over next 12 months
 - Strength and weakness of the Board and how to overcome weaknesses
- The preparation of a report with feedback on the performance based on the discussion; and
- Discussion on necessary actions for any areas of improvement.

The Board does not currently have any separate committees due to the size and nature of the Company and thus Committee performance assessments were not applicable.

Recommendation 1.7: Senior Executive Performance Assessment

Senior Executives are appointed by the Board and their Key Performance Indicators (**KPI's**) contain specific financial and non-financial objectives.

These KPI's are reviewed annually by Managing Director or in the case of the Managing Director by the Board or any committee thereof. The performance of each Senior Executive against these objectives is evaluated annually.

The Senior Executive performance evaluation was undertaken for the financial year 2021 in accordance with the prescribed process. The Board undertook a performance review on the Executive Chairman during the period. The Board has not yet undertaken a performance review on the Managing Director as the appointment occurred effective from 1 July 2021 and as such it will be undertaken during the financial year 2022.

PRINCIPLE 2 – BOARD STRUCTURE

Recommendation 2.1: Nomination Committee

Due to the current size of the Company and Board, the Board fulfils the roles and responsibilities in relation to nominations. The duties of the Board in relation to nomination are the same that would otherwise be fulfilled by a Nomination Committee to address any issues and continuously review the range of skills, knowledge, experience, independence and diversity to ensure that the Board can discharge its duties and responsibilities effectively.

The Remuneration and Nomination Committee Charter is available on our website at <https://www.strategicenergy.com.au/corporate-governance/>.

This mix is subject to review on a regular basis as part of the Board’s performance review process.

Recommendation 2.3: Independent Directors

An independent director is a non-executive director who is not a member of management and free from any business or other relationship that could materially interfere with, or could reasonably be perceived to materially interfere with, the independent exercise of judgement. The Board considers the independence of Directors having regard to the relationships listed in Box 2.3 of the ASX Recommendations.

The Board regularly assesses the independence of each Non-Executive Director(s) in light of the information which each Director is required to disclose in relation to any material contract or other relationship with the Company in accordance with the Director’s terms of appointment, the Corporations Act 2001, and the Board Charter.

When appointing an independent director or reviewing the independence of its Directors’, the Board will have regard to the definition of independent director and the factors set out in the Recommendations, in particular the factors relevant to assessing the independence of a director set out in Recommendation 2.3.

As on date of this report, the Board’s assessment of each current Director is set out below.

For personal use only

Name	Position	Appointment Date	Status
Stuart Rechner	Executive Chairman	19 October 2015	Not independent
Dr David DeTata	Managing Director*	1 July 2021	Not independent

*Dr DeTata served as a Non-Executive Director during the period 11 October 2017 to 30 June 2021 and was appointed as Managing Director effective from 1 July 2021.

The Board considers that Mr McIntosh is free from any business or any other relationship that could materially interfere with, or reasonably be perceived to interfere with, the exercise of their unfettered and independent judgement and is able to fulfil the role of independent director for the purpose of the Recommendations.

Mr Rechner is not considered independent as the Company employs him in an executive capacity as Executive Chairman.

Dr DeTata is not considered independent as the Company employs him in an executive capacity as Managing Director.

The Board has considered the holdings of securities in the Company by the Non-Executive Director(s) and is of the opinion that their respective interests in shares would not materially interfere with, or could be reasonably perceived to interfere with, the independent exercise of their judgement in their position as a Director. The Board also considers that they are otherwise free from any business or other relationship that could materially interfere with, or reasonably be perceived to interfere with, the independent exercise of their judgement, and that each of these Directors is able to fulfil the role of independent Director for the purposes of the ASX Recommendations.

Recommendation 2.4: Majority Independence

As at the date of this Statement, one of our three Directors' is deemed independent and therefore the Company does not have a majority of independent directors.

The Board recognises that it is desirable for the majority of the Board to be Independent Directors, the current Board composition reflects an appropriate balance of skills, expertise and experience to fulfil its obligations to act in the best interests of the Company and all stakeholders. The Board also considers that there are appropriate safeguards in place including policies and protocols to ensure independent thought and decision making.

It is noted that the composition of the Board will be reassessed in the future in line with changes in the Group's operations and will be adjusted as deemed appropriate. The Board will consider the Recommendations in assessing any future changes in board composition and note that while the Board may not meet the majority independence requirements that each Board member exercises independence in each of the Board decisions.

Further information regarding our Directors', including their experience and qualifications, is set out in the Directors' Report of our 2021 Annual Report.

Recommendation 2.5: Board Chair

The Chair, Mr Stuart Rechner is not currently considered to be an independent Director. The Board believes that a Non-Executive Chairman is not necessary as Mr Rechner's experience and industry knowledge makes him the most appropriate person to lead the Board at this time.

The Chair provides leadership to the Board in relation to all Board matters and is responsible for ensuring that the Board meets its responsibilities under the Board Charter. The role is set out in more detail in the Board Charter.
